PR. KISAKYE EMMANUEL
GUEST SPEAKER

A camp meeting is a large Christian revival event, where participants gather for sermons, prayer, hymn singing, and Bible study, often staying on a dedicated campground for spiritual refreshment, evangelism, and community fellowship. These gatherings provide a chance for believers to connect with God and each other, and they have historically served as a spiritual and educational tool for Seventh-day Adventists, who hold them annually to promote spiritual growth.

this year as we make disciples
of Jesus Christ!***

District Leader's Message

Ladies and Gentlemen, I wish to welcome you to this years' camp meeting. We thank the Almighty for leading us through yet another year, and for enabling us to congregate again and commemorate his marvelous grace.

By God's grace, this time round, like last year, we cerebrate together as a Bugema A district family, which is composed of all academic intuitions in this locality.

I welcome brethren from Bugema University (with her annexes that include Siato, Forest view, and Kampala campus), Bugema Adventist Secondary School, Bugema Adventist Primary School, Bugema University Vocational School, RISTAK schools, Victorious collage, and Kisa primary school.

I pray that each of us takes time to meditate on God's goodness and continues submitting to His will for the glory of His name as we study His word at this memorable event.

May the good Lord bless you immensely.

***Pr. Fredrick Mutaaya
Bugema A - District Leader
North Buganda Field***

Message from the main speaker

Dear Brethren, I bring you Christian greetings from Central Uganda Conference. I am very excited to share with you the Lord's message from His sit of mercy this camp meeting session.

This is the time when we take moments to ponder upon God's marvelous works, to renew our faith and to resubmit our selves to His guidance.

I look forward to having a wonderful time with you as we share the Lord's word. I look forward to your daily attendance as we commune in God's presence, and at the end of it all, we shall say, "we have been with the Lord". We shall go back home fulfilled and energized to journey on for yet another year with Christ.

***Pr. Kisakye Ssali
Education Director,
Central Uganda Conference, Uganda Union***

Message from the co-speaker

Dear Brothers and Sisters. I bring you Christian greetings from North Buganda Field and particularly from the Adventist men's department. We at the field were so pleased to learn that the men are leading this year's Camp meeting at Bugema A district.

As emphasized in Ephesians 5:23, I continue to encourage the men to lead their homes, pastor their homes, provide for their home, guide their children and love their spouses diligently as guided by scripture; and be good examples in the community.

I continue to beseech you to move forwards with the enlightenment that will come through with the outpouring of the Holy spirit from strong messages of this camp meeting season.

May the Good Lord continue blessing you!

***Elder Julius Namansa,
Adventist men's Director
North Buganda Field

CAMPMEETING THEME SONG 2025

LET ME GO

1. There's a greater mission in my life. Jesus Christ sent me to accomplish; that I go for his sheep which were lost, and bring them back into vine yard of God.

Let me take the Gospel to the World and making them, Disciples of the Lord; Let me go and show them God's ways, and lead them to the everlasting life.

2. I can not stop telling them the truth, reason why he came to die for us. I will go and do the work of God, and showing them, the way the truth and life.

3. It will be a joyful joyous day, when our Lord, will come to take us Home; we will fly to heaven when he comes, where sorrow and pain will not be seen again.

Message from the 2025 camp meeting chairman

This year, ladies and gentlemen, God has been very merciful, for by His grace He allowed me to lead a strong team of men and women to put together ideas and actions that have yielded what we are going to experience this week under the patronage of the Adventist men's department in Bugema A district.

The space has been prepared with ambiance; the messages and the music are heavenly sent and we now await you to come and drink from the never drying well.

I do invite every body to come and dine on the Lord's table and take opportunity to reach out for the Lord's blessings. I do believe that this year's camp meeting experience will remain memorable in your hearts and will go a long way in building in you strong Christians with qualities to make disciples for Jesus Christ.

Be blessed.

Mr. Kasibe Isma Isaiah
